Introduction

The questions in this survey are meant to evaluate a set of CI/CD patterns that you may be experienced with. The patterns will be presented in the simplified format: "Context-Problem-Solution". At the end of the survey, you will find an optional open text question where you may include general opinions on the patterns presented or the way they were presented. The survey should take around 30 minutes to complete. Thank you in advance for your time.
Group time: Introduction
1.87

Personal Information

How many years of experience do you have working in the software industry?
7
For how many years have you worked with CI/CD?
7
Current Role
devops consultant
Group time: Personal Information
23.36

Filter external input

Rate your agreement with these statements about the pattern above. ["I often find this problem in the given context."]
3 (Neutral)

Rate your agreement with these statements about the pattern above. ["For the given context and problem, this is the solution that I usually implement or see implemented"]
--

Strongly Agree (6)

Is there anything you wish to add in regards to this pattern's definition or use? If so, please elaborate.
--

Group time: Filter external input

43.85

Split workflow into small, single responsibility steps

Rate your agreement with these statements about the pattern above. ["I often find this problem in the given context."]
--

Strongly Agree (6)

Rate your agreement with these statements about the pattern above. ["For the given context and problem, this is the solution that I usually implement or see implemented"]
--

Strongly Agree (6)

Is there anything you wish to add in regards to this pattern's definition or use? If so, please elaborate.
--

Group time: Split workflow into small, single responsibility steps
--

23.41

Self-monitoring pipelines

Rate your agreement with these statements about the pattern above. ["I often find this problem in the given context."]
--

Strongly Agree (6)

Rate your agreement with these statements about the pattern above. ["For the given context and problem, this is the solution that I usually implement or see implemented"]
--

Strongly Agree (6)

Is there anything you wish to add in regards to this pattern's definition or use? If so, please elaborate.
--

Group time: Self-monitoring pipelines

9.69

Notification mechanisms

Rate your agreement with these statements about the pattern above. ["I often find this problem in the given context."]
--

Strongly Agree (6)

Rate your agreement with these statements about the pattern above. ["For the given context and problem, this is the solution that I usually implement or see implemented"]
--

Strongly Agree (6)

Is there anything you wish to add in regards to this pattern's definition or use? If so, please elaborate.
--

Group time: Notification mechanisms

4.17

Private builds

Rate your agreement with these statements about the pattern above. ["I often find this problem in the given context."]

Strongly Agree (6)

Rate your agreement with these statements about the pattern above. ["For the given context and problem, this is the solution that I usually implement or see implemented"]

Strongly Agree (6)

Is there anything you wish to add in regards to this pattern's definition or use? If so, please elaborate.

Group time: Private builds

16.33

Permission management

Rate your agreement with these statements about the pattern above. ["I often find this problem in the given context."]

Strongly Agree (6)

Rate your agreement with these statements about the pattern above. ["For the given context and problem, this is the solution that I usually implement or see implemented"]

Strongly Agree (6)

Is there anything you wish to add in regards to this pattern's definition or use? If so, please elaborate.

Group time: Permission management

6.94

The four eyes principle

Rate your agreement with these statements about the pattern above. ["I often find this problem in the given context."]

Strongly Agree (6)

Rate your agreement with these statements about the pattern above. ["For the given context and problem, this is the solution that I usually implement or see implemented"]

Strongly Agree (6)

Is there anything you wish to add in regards to this pattern's definition or use? If so, please elaborate.

Group time: The four eyes principle

2.73

Rollback strategy

Rate your agreement with these statements about the pattern above. ["I often find this problem in the given context."]

Strongly Agree (6)

Rate your agreement with these statements about the pattern above. ["For the given context and problem, this is the solution that I usually implement or see implemented"]

Strongly Agree (6)

Is there anything you wish to add in regards to this pattern's definition or use? If so, please elaborate.

Group time: Rollback strategy

13.24

Pipeline as code

Rate your agreement with these statements about the pattern above. ["I often find this problem in the given context."]

Strongly Agree (6)

Rate your agreement with these statements about the pattern above. ["For the given context and problem, this is the solution that I usually implement or see implemented"]

Strongly Agree (6)

Is there anything you wish to add in regards to this pattern's definition or use? If so, please elaborate.

Group time: Pipeline as code

12.23

Event based triggering

Rate your agreement with these statements about the pattern above. ["I often find this problem in the given context."]

Strongly Agree (6)

Rate your agreement with these statements about the pattern above. ["For the given context and problem, this is the solution that I usually implement or see implemented"]

Strongly Agree (6)

Is there anything you wish to add in regards to this pattern's definition or use? If so, please elaborate.

Group time: Event based triggering

13.46

Scheduled triggering

Rate your agreement with these statements about the pattern above. ["I often find this problem in the given context."]

Strongly Agree (6)

Rate your agreement with these statements about the pattern above. ["For the given context and problem, this is the solution that I usually implement or see implemented"]

Strongly Agree (6)

Is there anything you wish to add in regards to this pattern's definition or use? If so, please elaborate.

Group time: Scheduled triggering

2.94

Manual triggering

Rate your agreement with these statements about the pattern above. ["I often find this problem in the given context."]

2

Rate your agreement with these statements about the pattern above. ["For the given context and problem, this is the solution that I usually implement or see implemented"]

Strongly Agree (6)

Is there anything you wish to add in regards to this pattern's definition or use? If so, please elaborate.

Group time: Manual triggering

5.06

Fail fast

Rate your agreement with these statements about the pattern above. ["I often find this problem in the given context."]

Strongly Agree (6)

Rate your agreement with these statements about the pattern above. ["For the given context and problem, this is the solution that I usually implement or see implemented"]

Strongly Agree (6)

Is there anything you wish to add in regards to this pattern's definition or use? If so, please elaborate.

Group time: Fail fast

17.81

Interrupt outdated pipeline runs

Rate your agreement with these statements about the pattern above. ["I often find this problem in the given context."]

Strongly Agree (6)

Rate your agreement with these statements about the pattern above. ["For the given context and problem, this is the solution that I usually implement or see implemented"]

Strongly Agree (6)

Is there anything you wish to add in regards to this pattern's definition or use? If so, please elaborate.

Group time: Interrupt outdated pipeline runs

3.04

Deterministic Dependencies

Rate your agreement with these statements about the pattern above. ["I often find this problem in the given context."]

Strongly Agree (6)

Rate your agreement with these statements about the pattern above. ["For the given context and problem, this is the solution that I usually implement or see implemented"]

Strongly Agree (6)

Is there anything you wish to add in regards to this pattern's definition or use? If so, please elaborate.

Group time: Deterministic Dependencies

2.05

Task parallelization

Rate your agreement with these statements about the pattern above. ["I often find this problem in the given context."]

Strongly Agree (6)

Rate your agreement with these statements about the pattern above. ["For the given context and problem, this is the solution that I usually implement or see implemented"]

Strongly Agree (6)

Is there anything you wish to add in regards to this pattern's definition or use? If so, please elaborate.

Group time: Task parallelization

3.5

Prioritize failed jobs

Rate your agreement with these statements about the pattern above. ["I often find this problem in the given context."]

2

Rate your agreement with these statements about the pattern above. ["For the given context and problem, this is the solution that I usually implement or see implemented"]

Strongly Agree (6)

Is there anything you wish to add in regards to this pattern's definition or use? If so, please elaborate.

Group time: Prioritize failed jobs

8.41

Custom runner classes

Rate your agreement with these statements about the pattern above. ["I often find this problem in the given context."]

2

Rate your agreement with these statements about the pattern above. ["For the given context and problem, this is the solution that I usually implement or see implemented"]

Strongly Agree (6)

Is there anything you wish to add in regards to this pattern's definition or use? If so, please elaborate.

Group time: Custom runner classes

3.63

Fast lane for Hot-fixes

Rate your agreement with these statements about the pattern above. ["I often find this problem in the given context."]

Strongly Agree (6)

Rate your agreement with these statements about the pattern above. ["For the given context and problem, this is the solution that I usually implement or see implemented"]

Strongly Agree (6)

Is there anything you wish to add in regards to this pattern's definition or use? If so, please elaborate.

Group time: Fast lane for Hot-fixes

7.94

Build different system components separately

Rate your agreement with these statements about the pattern above. ["I often find this problem in the given context."]

Strongly Agree (6)

Rate your agreement with these statements about the pattern above. ["For the given context and problem, this is the solution that I usually implement or see implemented"]

Strongly Agree (6)

Is there anything you wish to add in regards to this pattern's definition or use? If so, please elaborate.

Group time: Build different system components separately

2.63

Selective testing

Rate your agreement with these statements about the pattern above. ["I often find this problem in the given context."]

Strongly Agree (6)

Rate your agreement with these statements about the pattern above. ["For the given context and problem, this is the solution that I usually implement or see implemented"]

Strongly Agree (6)

Is there anything you wish to add in regards to this pattern's definition or use? If so, please elaborate.

Group time: Selective testing

3.76

Final Thoughts

If you have any general feedback on the patterns that were presented or the survey itself, please include it here.

Group time: Final Thoughts

Introduction

The questions in this survey are meant to evaluate a set of CI/CD patterns that you may be experienced with. The patterns will be presented in the simplified format: "Context-Problem-Solution". At the end of the survey, you will find an optional open text question where you may include general opinions on the patterns presented or the way they were presented. The survey should take around 30 minutes to complete. Thank you in advance for your time.

Group time: Introduction

20.68

Personal Information

How many years of experience do you have working in the software industry?

20

For how many years have you worked with CI/CD?

6

Current Role

Senior DevOps Engineer

Group time: Personal Information

87.95

Filter external input

Rate your agreement with these statements about the pattern above. ["I often find this problem in the given context."]

Strongly Agree (6)

Rate your agreement with these statements about the pattern above. ["For the given context and problem, this is the solution that I usually implement or see implemented"]

Strongly Agree (6)

Is there anything you wish to add in regards to this pattern's definition or use? If so, please elaborate.

Group time: Filter external input

168.95

Split workflow into small, single responsibility steps

Rate your agreement with these statements about the pattern above. ["I often find this problem in the given context."]

Strongly Agree (6)

Rate your agreement with these statements about the pattern above. ["For the given context and problem, this is the solution that I usually implement or see implemented"]

Strongly Agree (6)

Is there anything you wish to add in regards to this pattern's definition or use? If so, please elaborate.

Group time: Split workflow into small, single responsibility steps

70.47

Self-monitoring pipelines

Rate your agreement with these statements about the pattern above. ["I often find this problem in the given context."]

Strongly Agree (6)

Rate your agreement with these statements about the pattern above. ["For the given context and problem, this is the solution that I usually implement or see implemented"]

Strongly Agree (6)

Is there anything you wish to add in regards to this pattern's definition or use? If so, please elaborate.

Group time: Self-monitoring pipelines

57.88

Notification mechanisms

Rate your agreement with these statements about the pattern above. ["I often find this problem in the given context."]

Strongly Agree (6)

Rate your agreement with these statements about the pattern above. ["For the given context and problem, this is the solution that I usually implement or see implemented"]

Strongly Agree (6)

Is there anything you wish to add in regards to this pattern's definition or use? If so, please elaborate.

Group time: Notification mechanisms

51.14

Private builds

Rate your agreement with these statements about the pattern above. ["I often find this problem in the given context."]
